MATRxVIP

A PARKVIEW HEALTH SERVICES COMPANY

Together, We Can Improve Patient Outcomes

A New Vision in Pharmacy

Your Partner in Substance Use Disorder and Behavioral Health

Matrix VIP Pharmacy offers a suite of services designed to make Medication Assisted Therapy easier, removing common barriers so that you can spend more quality time with your patients. Our priority is to provide expert guidance and clinical support to your practice while delivering high-touch, personalized care for your patients.

From setting up new referrals to managing adherence and side effects to streamlining prior authorizations and financial coverage, our multidisciplinary teams ensure comprehensive pharmacy care for your patients to ensure they receive their medication when and where they need it.

As your partner, we meet your patients where they are on their healthcare journey and provide personalized, accessible and compassionate care.

Providing Treatments That Improve Lives

We provide targeted, specialized medications for substance use disorder recovery and mental health patients. Our highly credentialed care teams have decades of experience providing these critical therapies.

Dedicated Point of Contact

Direct access to your team via phone, email, or the provider portal.

Provider Portal

Manage refills and send direct messages to pharmacy team.

Adherence Support

Automated weekly reminders and clinical education and guidance.

PA Assistance & Support

Expert help and intervention on your behalf based on individual needs.

Financial Assistance Support

Access to manufacturer programs, foundations and grant funding.

Fast and Free Delivery

Medications ordered before 3 PM are delivered the next day.
